STAT

Made arrangements to debrief Congressman Hubert B. Scudder (R., Calif.) concerning his recent trip in Africa and the Near East.

STAT

Met with Mr. Kenneth Sprankle of the House Committee on Appropriations to discuss three items - (1) the [ ] letter, (2) the proposed general briefing of Congressman Prince Preston, and (3) request from Commerce that we appear before the Commerce Subcommittee of House Appropriations on 25 April 1958. ✓

STAT

(See separate memoranda for the record on the [ ] matter and the Preston and Commerce items.)

While talking with Kenneth Sprankle he requested that we hold ourselves in readiness for an appropriations hearing before the CIA subcommittee on the morning of 1 May 1958. This information was related to the Director who indicated that in view of the National Security Council meeting on that date he would be available from 11 o'clock on for that day. This information was furnished to Mr. Sprankle who indicated that they would try to establish the hearings in the afternoon. The above information has been furnished to the Comptroller and the Acting Deputy Director (Support). ✓

Talked with the office of Congressman Patrick J. Hillings (Calif.) about their request for a listing of the English broadcasting stations in various parts of the world. FBIS indicated they might have something that would satisfy this request and will advise further.
